

The Forecast

Welcome to the ultimate early-autumn getaway in **Tuscany**. September is a magical transitional window offering warm, sun-kissed afternoons alongside crisp, refreshing evenings as the region transitions from summer to autumn.

Tuscany (Inland Hills & Cities)

- **Daytime:** Highs range from **72°F to 82°F** (22°C to 28°C) with bright sunshine.
- **Nighttime:** Lows drop to a crisp **57°F to 64°F** (14°C to 18°C).
- **Conditions:** Low humidity and minimal rainfall, though brief afternoon showers are possible.

Cinque Terre (Coastal Villages)

- **Daytime:** Highs hover around **75°F to 80°F** (24°C to 27°C) with high sunshine.
- **Water Temperature:** The sea remains a warm **72°F to 75°F** (22°C to 24°C).
- **Microclimate:** Coastal breezes can make mornings and coastal evenings feel cooler than inland areas.
